ORDER:

State of Andhra Pradesh has been a leader in harnessing Information and Communication Technologies to fuel the growth of the economy, improve the quality of governance and make convenient services available to citizens across the State through eSeva and various other delivery channels. Having achieved commendable growth of IT industry and availability of convenient services to the citizens in Hyderabad and other major cities in the State, the State Government is now focusing on taking the benefits of IT and communications to the rural areas. In keeping with these aspirations, it is proposed to facilitate and accelerate the implementation of a Broadband Network in the State, which will connect all the Government offices both in DHQs and MHQs. The proposed AP Broadband G-G Network would replace the existing Andhra Pradesh State Wide Area Network (APSWAN) which is currently connecting Hyderabad to all District Headquarters, Tirupathi and Vijayawada with 2 Mbps leased circuits.

2. IT&C Department embarked upon the creation of new G2G SWAN network and has authorized M/s APTS Limited to take up the G2G SWAN Network Project. As the new G2G SWAN network is IP Ethernet based, and also the present systems are working in TDM based and are obsolete providing O&M is becoming difficult and AMC is becoming very costly. Government is proposed to replace the existing Customer premises equipments / systems with new systems and directed APTS to process the replacement. APTS requested funds to be transferred at an estimated cost of Rs.10 Crores during 2009-2010, and requested IT&C Department to release the first installment for Rs.2,50,00,000/- including APTS service charges vide reference 9th to 11th read above

3. Government after careful study hereby accord sanction and release an amount of Rs.2,50,00,000/- (Rupees Two Crores Fifty Lakhs Only) to M/s APTS Ltd., towards the
